

## FAQs for CREST CAMP Mentors

**Q1: Is the CREST Mentor Programme registration at the individual or company level?**

A: Registration is at the company level, specifically for CREST member companies.

**Q2: The registration form includes fields for first and last names. Does this mean individuals need to register?**

A: No, only a company contact person is required to liaise with CREST. As they will have full administrative permissions to the organisation in the application portal.

**Q3: How can a company register more than one individual for the Mentor Programme? Is there an option to register a group or team?**

A: The programme is registered at the company level. You do not need to name individuals upfront. The registration is for a company contact person, giving flexibility to add individuals later as needed.

**Q4: Is there a certification process for CREST Mentors or can any member organisation act as a Mentor by default?**

A: Any CREST member organisation with the correct accreditation, matching the beneficiary company's needs, qualifies to become a Mentor.

**Q5: Are there further guidelines or selection criteria for CREST Mentors?**

A: There are no additional selection criteria. Further details on the engagement model and guidance will be provided.

**Q6: Are there any NDA requirements or commitments for the CREST Mentors in this programme?**

A: Yes, when completing the registration form, you will need to sign a declaration that includes confidentiality commitments.
